Dear Parents/Carers,

Second Hand School Uniform

We are excited to share some great news regarding our school uniform.

We have partnered with a company called Grown Out Of It, which provides a secure online platform for parents to buy and sell second-hand school uniforms.

Grown Out Of It specialises in school provisions, as well as purchasing our second hand school uniform and sportswear, parents will also be able to purchase and sell other school-based items such as bags, hats and so forth.

We believe this service offers a cost-effective option for school uniforms and supports our collective journey towards a sustainable future for the next generation.

The site is www.grownoutofit.co.uk, built for ease of use with additional resources offering insight and support for parents. To start selling, please register [here](#). They have a [resources](#) page where you can find some short videos about them and some tutorials on some certain features. You will see a short video here on [how to sell an item](#)

Here is the link to our school's page: [Huthwaite All Saints CofE Infant School](#)

When visiting the school page, we recommend clicking the 'Add to Favourite' button, which will notify you when a seller lists an item.

If you have any questions, please contact the company at info@grownoutofit.co.uk and they will help with any query.

Yours sincerely,

Lynette Hardwick
