

GDPR Consent Form

Due to the new UK GDPR (UK General Data Protection Regulations) guidelines, our school is required to update children's records relating to consent. Please see below a list of all the areas in which we need parental consent.

Whilst we appreciate this is an extensive list; it is important to ensure we are abiding by the new legislation.

Consent will be requested only once per child which will remain on their file until they leave our school.

You are able to withdraw your consent to any of the below at any time, by completing a '**withdrawal of consent form**', this can be accessed via our school website <https://www.huthwaite.snmat.org.uk> or via the school office.

If you require any further information, then please do not hesitate to speak to a member of the office team.

Thank you in advance.
